Knowlton Dental Associates

Smiles by Knowlton

At Knowlton Dental Associates we want our patients to know that they don't need dental insurance to get a great dental benefit. That's why we created our Smiles by Knowlton card. Benefits include a discount on all dental work, free tools to save for dental treatment, and discounts with participating dental specialists. Best of all, participation is free!

The Smiles by Knowlton card provides you great dental benefits all at no cost to participate. Each participant receives:

1) A 10% discount at our dental practice on all treatment.
2) Access to free health savings tools for qualified patients.
3) Discounts at participating specialists.
4) Custom promotion specific to our practice.

Use the Smiles by Knowlton card received at our practice to enroll at the website above. Complete the online registration with your Group ID# found on the card. You may include dependents. Submit the form online and write your Patient ID# on your card, then follow instructions for a free health savings account.
